

Decision Statement Regarding Elford Neighbourhood Plan Proceeding to Referendum

1. Summary

- 1.1 Following an Independent Examination, Lichfield District Council has recommended that the Elford Neighbourhood Plan proceeds to referendum subject to the modifications set out in tables 1 and 2 below. The decision statement was reported to Cabinet on 09/10/2018 where it was confirmed that the Elford Neighbourhood Plan, as revised according to the modifications set out below, complies with the legal requirements and basic conditions set out in the Localism Act 2011, and with the provision made by or under sections 38A and 38B of the Planning and Compulsory Purchase Act 2004. The Plan can therefore proceed to referendum.

2. Background

- 2.1 On 11 May 2015 Elford Parish Council requested that the Elford Neighbourhood Area be designated for the purposes of producing a neighbourhood development plan for the area. Following a six week consultation Lichfield District Council designated the Elford Neighbourhood Area on 14 August 2015.
- 2.2 In September 2017 Elford Parish Council published the draft Elford Neighbourhood Plan for a six week consultation, in line with regulation 14 of the Neighbourhood Planning (General) Regulations 2012.
- 2.3 The Elford Neighbourhood Plan was submitted by the Parish Council to Lichfield District Council in May 2018 for assessment by an independent examiner. The Plan (and associated documents) was publicised for consultation by Lichfield District Council for six weeks between 8 May and 19 June 2018 (the Local Authority publicity consultation). Mr Andrew Ashcroft BA (Hons) MA DMS MRTPI was appointed as the Independent Examiner and all comments received at the Local Authority publicity consultation were passed on for his consideration.
- 2.4 He has concluded that, subject to modifications, the Elford Neighbourhood Plan will meet the necessary basic conditions (as set out in Schedule 4b (8) of the Town and Country Planning Act 1990, as amended by the Localism Act 2011) and subject to these modifications being made may proceed to referendum.

- 2.5 Schedule 4B (12) of the Town and Country Planning Act 1990, as amended by the Localism Act 2011, requires that a local authority must consider each of the recommendations made in the Examiner's report and decide what action to take in response to each recommendation. If the authority is satisfied that, subject to the modifications being made, the draft Neighbourhood Plan meets the legal requirements and basic conditions as set out in legislation, then the plan can proceed to referendum.

3. Elford Neighbourhood Plan Examiner’s recommended modifications and Local Authority’s response

- 3.1 The District Council considered the Examiner’s report and the recommendations/modification contained within. Table 1 (below) sets out the Examiner’s recommendations (in the order they appear in the Examiner’s report) and Lichfield District Council’s consideration of these recommendations.
- 3.2 Table 2 sets out additional modifications recommended by Lichfield District Council with the reasons for these recommendations.
- 3.3 The reasons set out below have in some cases been paraphrased from the examiner’s report to provide a more concise report. This document should be read in conjunction with the Examiner’s Final report. Which is available via: www.lichfielddc.gov.uk/Elfordnp.

It does not directly seek to boost the supply of housing land as required by the NPPF. It does not provide evidence to support the assertion that 20 houses are sufficient to address housing needs in the Plan period. Policy MD5	<p><i>Modify the text of the policy as follows:</i></p> <p>All new applications, regardless of scale or size other than householder proposals, should demonstrate that they consider their wider impact on traffic in the Parish, and demonstrate that these impacts will not negatively unacceptably impact on the residents of the Parish. Development proposals which include improvements to road safety and encourage walking, cycling or the use of public transport will be looked on favourably supported.</p> <p>New developments should not cause negative unacceptable impacts on traffic levels within the Parish, specifically at key junctions and identified pinch points (such as along Church Road and Brickhouse Lane corner), as identified on the proposals map.</p> <p>Development proposals should demonstrate safe and convenient access to and from the proposed development.</p> <p>Proposals that may cause a significant unacceptable increase to vehicular traffic through the village will be resisted. These roads (listed below) are identified on the Proposals Map. The issues with these roads should be considered equally when considering the impacts that planning proposals may have on them.</p> <ul style="list-style-type: none"> ● The Beck ● Church Road ● Brickhouse Lane ● The Shrubbery ● The Square 	<p>Modifications recommended so that the policy has the clarity required by the NPPF.</p> <p>As submitted the policy applies to all new planning applications, as most will be of a minor and/or domestic scale this approach would be unreasonable and onerous.</p> <p>The policy which refers to developments not causing negative impacts on traffic levels. Plainly most developments will have some impact. However, the test is the acceptability or unacceptability of that impact.</p>	<p>Yes – for clarity and to meet the basic conditions.</p>
